TO LEARN MORE ABOUT THE BRANDS WE CARRY...

<p><u>Alpina Savoie</u> <i>Alpina-savoie.com</i></p>	<p>Alpina Savoie is not “The Other Land of pasta” for nothing. The French brand is known for its ethics and high standards since 1844, based on a commitment to seek sustainable development on a day-to-day basis. Alpina Savoie selects exclusively French durum wheat crops and develops partnerships with local farmers.</p>
<p><u>Amora</u> <i>Amora.fr</i></p>	<p>Amora has had a special place in the heart of the French since 1934. It is recognized and appreciated for its expertise and quality of its product.</p>
<p><u>Apidis</u> <i>Apidis.mobi</i></p>	<p>Founded over 120 years ago, Apidis is a family business specializing in the production, packaging and marketing of honey selection of products from the hive and honey products.</p>
<p><u>Béghin-Say</u> <i>Beghin-say.fr</i></p>	<p>With its slogan “Little of sugar, Lots of ideas”, Béghin-Say is a brand of the French cooperative group Tereos, a global player in sugars, starches and alcohols. Béghin-Say arises from the merger in 1973 of the sugar companies Beghin and Say.</p>
<p><u>Brover</u> <i>Brover.fr</i></p>	<p>Quality control is on top of Brover's agenda... Brover is indeed very rigorous on the fruit selection and conservation. Based in the south of France, Brover works with authentic fruit growers around the world to get the best products available on the market. Brover is seeking to reproduce as closely as possible the very texture and taste of the freshly picked fruit.</p>
<p><u>Caullet</u> <i>Dawnfoods.com</i></p>	<p>Caullet was founded in 1950 and is based in Erquinghem-Lys, France. The company produces ingredients for pastry and confectionery such as glazes, fondants, marzipans, toppings, sugars, and pralins. Formerly known as “La Lilloise” until 1982, Caullet became a subsidiary of Dawn Foods products.</p>

<p><u>Cave de l'Abbé Rous</u></p> <p><i>Abberous.com</i></p>	<p>In Banyuls-sur-Mer, in the South of France, La Cave de l'Abbé Rous produces and sells an outstanding range of wines from Collioure and Banyuls AOC. Banyuls Vinegar is made from the Fortified wine of Banyuls and it is aged for 4 years in wood vats. The brand name was chosen in homage to the priest that at the end of the XIXth century was the first to sell the Banyuls wine in bottles to finance the construction of his church.</p>
<p><u>Clément Faugier</u></p> <p><i>Clementfaugier.fr</i></p>	<p>Established in 1882 in Ardèche, France's most prominent chestnut region, the confectioner Clément Faugier created the recipe of the "Sweetened chestnut purée of Ardèche " which revolutionized the breakfast and snack of million children and parents! More than a century later, Clément Faugier has remained a local family-owned business and the recipe of the chestnut purée is still authentic and unchanged. These generations would have said to us: "It did not take a wrinkle" certainly "The secrets of an eternal youth "...</p>
<p><u>Couplet</u></p> <p><i>Coupletsugars.com</i></p>	<p>Couplet Sugars is a Belgian family company, specialized in producing sugar specialties, made from crystallized sugar. With 160 years of experience, they have developed a wide range of sugar specialties which caters to professionals of the sectors of bakery, confectionery, chocolate, confectionery and food service.</p>
<p><u>Distillerie du Perigord</u></p> <p><i>Distillerie-perigord.com</i></p>	<p>The Distillerie du Perigord Company was founded in 1860. The Distillerie du Perigord is reputed for the quality for its "eaux-de-vie" of fruits (Gold Medal at the Universal Exhibition in Paris in 1900, Gold Medal at the International Fair in Brussels in 1899), and it specialized in 1980 in the processing of fruits in alcohol (products conditioned for the consumption for the general public and in bulk destined to the processing industry). The fruits in alcohol are the main products of Distillerie du Périgord, and are ranked second in the world.</p>
<p><u>Domaine du Siorac</u></p> <p><i>Domainedusiorac.fr</i></p>	<p>Domaine du Siorac is a family property since 1818, shaped by 7 generations. It is located on the wine trail in the heart of Périgord, France.</p> <p>Verjus has been used since the Middle Ages: made from the juice of green grapes, it is perfect for deglazing and marinades.</p>
<p><u>Edmont Fallot</u></p> <p><i>Fallot.com</i></p>	<p>It is in the town of Beaune, France, that "La Moutarderie Fallot" (the last remaining independent family mustard maker in Burgundy) manufactures exceptional mustard using traditional family know-how passed down from generation to generation since 1840 : crushing seeds with a millstone that keeps all the flavorsome qualities of the mustard mix.</p>

<p><u>Ferrigno</u> <i>Ferrignosa.com</i></p>	<p>Fisherman in the Mediterranean for three generations, fishing is more than a job at Ferrigno, it is a passion. Based in Provence, it is to date the only French fish cannery on the Mediterranean coast. Located in Port Saint Louis du Rhône, halfway between Marseille and Sète, this geographical location allows to work all fish in the best possible conditions with a commitment to quality: from their reception to their packaging, by their transformation in FERRIGNO approved workshops.</p>
<p><u>France Macaron</u> <i>Fallot.com</i></p>	<p>FRANCE MACARON offers a traditional artisanal quality macaron, made from a recipe rich in almond powder, with less sugar and carefully selected ingredients. New flavors are constantly being created to offer a unique and diverse range of sweet and savory delights, which make these macarons very versatile.</p>
<p><u>Francine</u> <i>Francine.com</i></p>	<p>In 1965, 8 large regional flour mills came together to create 1 brand of flour with national influence! This is how Francine, born of the contraction of "France" and "Farine", was born. The brand thus started by marketing products that have become essential: Wheat Flour (1965) and Fluide Wheat Flour (1968). Today, nearly 45 million Francine products are tasted every year in France!</p>
<p><u>Gelita</u> <i>Gelita.com</i></p>	<p>In 1875, in Göppingen, in the south of Germany, the brothers Heinrich and Paul Koepff started producing gelatin from pigskin. The company, after more than 135 years of tradition and growth, is still owned by the founder families. Gelita is today the worldwide Gelatin specialist.</p>
<p><u>Gonidec</u> <i>Gonidec.com</i></p>	<p>At Conserverie Gonidec, the profession of canner has been passed down from generation to generation since 1959. Quality is at the essence of the activity, where the freshness of the fish and the work by hand are the foundations of the brand's reputation and success.</p>
<p><u>Huileries de Lapalisse</u> <i>Huileries-lapalisse.fr</i></p>	<p>Founded in 1898, Huileries de Lapalisse have managed to maintain the old-style expertise and know-how which have been the main characteristic of their oils for over 110 years. Only the very best raw ingredients can deliver the finest oils and only the expertise of the master oil refiners can bring out the incomparable flavors of the Lapalisse's oils.</p>

<p><u>La Baleine</u></p> <p><i>Labaleine.fr</i></p>	<p>La Baleine, Salins du Midi, is a Mediterranean naturally evaporated sea salt produced in the Aigues-Mortes saltworks, in Camargue (France) since 1856.</p> <p>All the French people know and recognize La Baleine salt: a reference for quality salt with high requirement and traditional know-how.</p> <p>La Baleine is #1 imported sea salt in the US.</p>
<p><u>Le Moulin des Gaults</u></p> <p><i>Foricher.com/en/le-moulin-des-gaults.</i></p>	<p>Yvon Foricher is a qualified miller, following a family tradition spanning 7 generations and committed to honor artisan bakers' needs. Since 1997, consistency, excellence and innovation have been at the essence of Le Moulin des Gaults and crucial for protecting this unique knowledge.</p>
<p><u>Les Délices du chef</u></p> <p><i>Lesdelicesduchef.com</i></p>	<p>The state-of-the-art factory is located in Brittany, France: the original home of the crepe. Les Délices du Chef is recognized as a supplier of premium quality products. Flexible production facilities and traditional culinary expertise ensure customers a range of premium quality crepes & blinis.</p>
<p><u>Leroux</u></p> <p><i>Leroux.com</i></p>	<p>Leroux has been growing and processing chicory with passion and expertise for more than 160 years. It is a company focused on innovation and ambition with high quality standards, and a human and environmental commitment.</p>
<p><u>Les Jardins de St Benoit / Salles Frères</u></p>	<p>Thanks to a lot of sun, Les Jardins de St Benoit have this power to produce a large range of fruits and vegetables. Les Jardins de St Benoit offer a complete selection of the South of France flavors traditionally made, with natural spices.</p> <p>Les Jardins de St Benoit are a subtle alliance between modernity and tradition.</p>
<p><u>Loc Maria</u></p> <p><i>Locmaria.fr</i></p>	<p>Everything began in 1893 when Maria Catherine Comics forgot her crepe in the fire. She had a genius idea of rolling it up delicately. Gavottes Crepes were born! The Loc Maria group was founded in 1920 in Brittany, France. It is now a large range of fine biscuits. The brand respects the UN Global Compact and acts for the sustainable development.</p>
<p><u>Maison Denoix</u></p> <p><i>Denoix.com</i></p>	<p>The Denoix distillery was founded in 1839 in Brive la Gaillarde, Limousin (France).</p> <p>Its history goes back four generations who handed down the secrets needed to make their specialty: The Violet Mustard made with grape must. Today, they work in the same way as they did in the 19th century, since they want to retain their heritage and their know-how in addition to quality and taste.</p>

<p><u>Maison Potier</u> <i>Christianpotier.com</i></p>	<p>C'est au cœur de la Provence, la NOUVELLE SOCIÉTÉ CHRISTIAN POTIER cuisine pour vous ces sauces avec que des ingrédients nobles. La façon que nous avons de les travailler, le temps nécessaire que nous prenons à le faire, nous nous engageons à vous offrir les meilleurs produits possibles. Car c'est tout simplement en utilisant de bons ingrédients que l'on peut faire de bonnes choses !</p>
<p><u>Miel Martine</u> <i>Mielmartine.fr</i></p>	<p>Miel Martine offers 100% French natural honeys, most of them are harvested in Provence around their honey-house. Their beekeepers choose land that is protected from any pollution in order to guarantee a preserved the environment for the bees. All their honeys are traceable by scanning the QR code at the back of each jar. You know where it has been harvested, extracted, potted, imported by and are given access to audits.</p>
<p><u>Moulin</u></p>	<p>The fruit of the pepper plant, a wild or cultivated climbing vine that flourishes in the tropics, green pepper is picked, as its name suggests, before full maturity, when the corn are still green and tender. Moulin's green pepper is imported from Madagascar, the world renowned producer of the finest quality pepper. Moulin, created in 1903 is proud of its century of excellence.</p>
<p><u>La Ferme Nahia</u> <i>laferme-nahia.com</i></p>	<p>La ferme Nahia is a Basque farm growing the distinctive peppers in open fields using traditional, natural techniques. Each Piment d'Espelette is carefully chosen and handpicked to ensure exceptional quality and taste. The peppers are processed and cooked using traditional Basque recipes. La ferme nahia range of products is guaranteed free from artificial coloring and preservatives.</p>
<p><u>Nicolas Alziari</u> <i>alziari.com.fr</i></p>	<p>Since 1868, Nicolas Alziari has been one the most important Olive domain in France. Located in Nice, this Maison of quality has been elaborating numerous Grand Crus, by selecting carefully unique varieties from the most unexpected (sometimes even forgotten) terroirs, creating uncommon fusions, and extracting the oil through a cold press process to preserve the richness of the fruits.</p>
<p><u>Pasquier</u> <i>Pasquier.fr</i></p>	<p>In 1974, from the family-owned bakery, the business "Brioche Pasquier" expanded. The acquisition of Albatros , expert in Crouton & Mini Toasts, took place in 2006. They produce simple & authentic French products thanks to a heritage of expertise, which give Albatros' mini-toasts its unique flavor & taste.</p>

<p><u>Pommery</u> <i>Les Assaisonnements Briards</i> <i>Moutarde-de-meaux.com</i></p>	<p>Les Assaisonnements Briards, created in 1949, took over the manufacturing of MUSTARD Meaux® POMMERY® in the tradition of past centuries. Their products are made of natural products only, which lend to its exquisite flavor and subtle aroma. About the Meaux Mustard Pommery, Brillat-Savarin called it the mustard for gourmets, and said, "If it isn't Meaux, it isn't Mustard."</p>
<p><u>Puget</u> <i>Puget.fr</i></p>	<p>Puget produces an Extra Virgin olive oil since 1857, obtained by first cold press of selected olives without heating or any chemical process. Starting as a family-owned business in Marseille, France, Puget became in 1999 the biggest olive oil brand in France and is still the leader of the French olive oil market.</p>
<p><u>Sabarot</u> <i>Sabarot.com</i></p>	<p>In 1819, Jean-Pierre Sabarot settled in Haute-Loire, France, bought a mill and created a small traditional business. Since 1819, Sabarot is engaged in dried vegetables and cereals processing to offer a range of highquality authentic products, sourced from reliable growers and producers in France (Du Puy Green Lentils for example). Snails and Wild Mushrooms were added later to the product range. Today, always keeping in mind the familial aspect, Sabarot is the European leader of canned snails and a major player on the beans and mushrooms markets.</p>
<p><u>Les Salines de Guérande</u> <i>Leguerandais.fr</i></p>	<p>Twice a day, during the high tides, the water from the open sea flows into the marshes... Then, the sun, the wind, and the salt worker's expertise evaporate the water until the salt finally crystallizes. Here follows the astonishing metamorphosis of a simple drop of water into a tiny grain of salt... Unique geographical areas, combined with a highly demanding view of the job, have given rise to a natural product that is proud of its quality: Guérande Salt!</p>
<p><u>Sofrabrick</u> <i>Sofrabrick.fr</i></p>	<p>Taking their inspiration from traditional home cooking, they at Sofrabrick, have developed a special manufacturing process for the frozen Feuilles de Brick that has helped them remain the world's leader in pastries for the last 20 years. Sofrabrick's manufacturing expertise guarantees his customers a real peace of mind. They passed the IFS certificate higher level in 2010.</p>

<p><u>Thiercelin 1809</u> <i>Thiercelin1809.com</i></p>	<p>Thiercelin 1809, is an old family operated business specialized in lost flavor and taste: saffron, vanilla, spices and natural products. A tradition and expertise passed on from father to son since 1809.</p> <p>"Once upon a time... Could have been a perfect start of an exciting journey, full of adventurous escapades through jungles, deserts and continents. However, this is not the story of some heroes from an adventure novel. We are not going to tell you a story of raiders seeking for gold or rare treasures. This is the story of a family, men and women, that shares same values, the love of nature, genuine product, passion for taste, traditions, good work. Discovery of rare products, with unique perfume, real Raiders of the lost taste."</p>
<p><u>Toques de France (Distillerie du Perigord)</u> <i>Distillerie-perigord.com</i></p>	<p>The Distillerie du Perigord founded in 1860, is reputed for the quality for its "eaux-de-vie" of fruits (Gold Medal at the Universal Exhibition in Paris in 1900, Gold Medal at the International Fair in Brussels in 1899).</p> <p>The company specialized in 1980 in the processing of fruits in alcohol. The fruits in alcohol are now the main products of Distillerie du Périgord, and are ranked second in the world.</p>
<p><u>Trablit</u> <i>Trablit.fr</i></p>	<p>In 1845, a pharmacist created a process to extract coffee flavors so that one could get a good coffee anywhere and whenever in the world: Trablit was born. The company keeps transmitting its "Trablit know-how" and passion from generation to generation. Known worldwide, all Trablit products proceed from the same thorough selection and assembly. Produced in France, their taste and flavor constancy has justified for decades the confidence of the professionals.</p>
<p><u>Treblec</u> <i>Compagniedesfarines.com</i></p>	<p>During the 20th century, our mill located in Maure-de-Bretagne in Ille-et-Vilaine (35), specialized in the manufacture of buckwheat flour. At the start of the activity, supplies were mainly Breton. The rapid growth in sales leads the company to geographically expand its sources of buckwheat thanks to very controlled sectors which remain 100% French. Part of the production however remains 100% Breton with buckwheat flour tradition of Brittany. Treblec is the undisputed leader in its market.</p>
